The court has also issued warrants for the arrest of other suspects, including journalist Reyaz Ismail who was covered under umbrella of the U.S. embassy.Is there a gene for carbon monoxide binding to hemoglobin? Exposure to carbon monoxide alters the activity of many enzymes, and the potentially adverse effects on the cardiovascular system is thought to be due at least in part to the binding of carbon monoxide to hemoglobin. Previous investigators have postulated that there must be a single gene coding for the binding site on hemoglobin, but we have found no such gene in the well-characterized human beta globin gene family. We have cloned a cDNA, M13N, for a rat globin gene (beta A (Hev)) that is one of the major genes for the beta A f678ea9f9e
